No problem, submit the updated enrollment numbers with the appeal request and they should be able to recalculate the budget with those numbers.

Best,

Mark

Mark,

Thanks for your help. When I reviewed the Form 471 our enrollment numbers were incorrect. Will it be enough to request our budget be recalculated using update enrollment numbers?

Make it a great day!

Will

Hey Will,

The budget is determined by the number of students you can claim multiplied by a little over \$152.70.

Best,

Mark

Mark,

Before I begin, can you tell me who sets the "budget"? All I remember doing on the form 471 is to enter how much our contract amount was and the system determined our discount. I don't remember setting a budget.

Thanks for your response and help.

Will

Hey Will,

You can indeed still file an appeal, see links below for the steps of the process, email and where to file in EPC. Go through these documents and I think you should be able to continue the process.

Follow the steps outlined in these websites. Hope this helps.

Thanks,

Mark

Mark,

I was wondering if you could be of help to me regarding the denial of this funding request. I only recently found out that this was denied but to our request being over budget and needed to determine if I could still file an appeal.

Thank you for your help.

If you have any questions as you work through your responses to the PIA review inquiries, please feel free to contact me via the phone number or e-mail address provided below. Please do not use e-mail to submit your responses to the PIA review inquiries. USAC will not review responses to PIA review inquiries sent to the reviewer's email address. All PIA responses must be submitted in EPC. Again, please be sure to provide complete responses to all of the PIA questions. If you need additional time to prepare your response, you may request an extension. Click the "Request Extension" button, located at the top of the "Review Inquiries" page in EPC. Your first extension request will be automatically granted, and you will receive an additional seven days to respond. Be sure to meet the response due date and provide all of the information requested, otherwise your application(s) may receive reduced funding or a funding denial. If you are unable to respond due to summer break, please call or email me and provide the timeframe during which you will be available, so that we can adjust the response due date accordingly.
